How to buy a Mammutico® Playground?

Online

Order directly through our online store — the fastest and most convenient way to purchase a Mammutico® playground.

By e-mail

Send us an e-mail on info@mammutico.com with your enquiry or order details. After receiving your information and payment, you will receive an order confirmation along with the estimated production and delivery timeline.

By phone

Contact us directly on +48 729 97 37 37 — our team is happy to assist you in English.

Support from our Educational Advisors

If you have any questions or would like to discuss your project in more detail, please visit the Contact section on the Mammutico website. There you will find the contact details of our Educational Advisors, who will help you choose the right solution, provide expert guidance, and — if needed — arrange a meeting.

Prices and VAT

All prices are net prices and apply to customers with a valid EU VAT number. Customers without a valid EU VAT number will be charged an additional 23% VAT.
Orders can be placed and paid for in EUR or PLN, depending on the customer's preference.

Delivery

Free delivery within Europe is available for orders of €2,500 or more.
For orders below €2,500, delivery costs are calculated individually.

Order Processing Time

Orders placed in December are typically processed in February and March.

For more information, scan the QR code or contact our Education Consultant.
